Speaker- Becky Godby

Becky is a psychiatric nurse practitioner and owner of Olympic Psychiatric Care in Sequim. God's call to change her practice specialty at age 47 and to start a business at age 56 were far from her comfort zone! A passion for obedience increased her dependence on God and prayer. She shares her story with emphasis on God's faithfulness in suffering, and the power of the Word and the Spirit. She invites God's healing into our difficult places.

She has been married for 41 years and has three adult children. God gave her ice cream on her cake when she discovered a love for sculling after she moved to the Northwest in 2015.

Worship- Lynette Low

Lynette Low and Beauty Within

Lynette is excited to return to women's retreat this year to lead us in worship. Her team building skills and ability to work with others in worship is all about getting into the "Heart of Worship". She desires to help others worship with a servant's heart and draw them into the presence of God. She has worked with men, women, children, and youth in leading worship.

She loves hiking, snowshoeing, grandkids, and football (Go Seahawks)!
